Red-Eye Adjustment

Remove Red-Eye from your photos with our easy-to-use tool!

Next click on the Red Eye Removal tool.

Using the tool provided, select the red area of the eye.

When finished, click Apply.

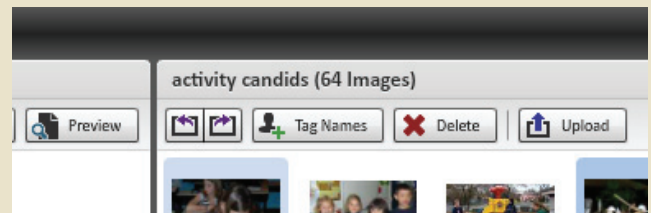

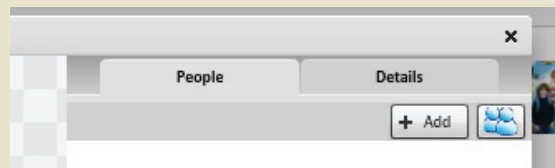

Image Tagging

Tag images with the names of those in the photo to allow for easy searching.

To begin, select the photo and click on the "Tag Image" button.

Under the "People" tab, click the Add button.

As you type the name in the space provided, Memory Book Online will search the list of current students uploaded to the portrait section of the program. Click on the name of the student to associate it with that photo.
